

Horse Sponsorship for G.R.A.C.E (Georgian Riding Association for Challenged Equestrians) **Sponsor – A – Horse**

Our horses are the most important part of our G.R.A.C.E. Program. Their training and their patience are essential in keeping our riders safe and having fun.

These horses are required to be kept at optimum health and wellness to ensure our program runs at its best. They work very hard for their care and deserve nothing less.

To provide the best of veterinary care, food, housing and farrier costs, each horse costs the G.R.A.C.E program over \$6,000 per year.

The Sponsorship Program offers you a chance to contribute to the most essential part of our program. Your monies will be used to support that which we need most, our beloved workers.

Your business can sponsor a beautiful, gentle horse to be used by G.R.A.C.E. in our local programs for children and adults with physical and emotional challenges.

Sponsorship Benefits to You:

- Your business name will be mounted on your horse's stall.
- Your business will be recognized in social media, at our events and in newsletters to riders, parents, volunteers and supporters.
- A "thank you" with a photo of "your horse" to display at your business will show the generosity your business has extended to G.R.A.C.E. in our efforts to support local families.
- A charitable tax receipt will be provided.
- A visit with your special horse or a viewing of him in action can be arranged (on appointment only, after Covid-19)

Gold (Full Sponsorship)

Thank you, in advance, for caring.
